Know Your Calling

Scriptures:

- Acts 9:1-19
- Galatians 1:15-17
- Philippians 3:13-14
- Acts 20:17-35
- Acts 21:11-15
- 1 Thessalonians 2:12
- Ephesians 4:1-6
- 2 Timothy 1:8-9

- What ideas stand out to you from these passages?

- Do you know what God has called you to do? Was there any specific event that marked your calling or was it a more gradual understanding?

- Paul's calling is repeated in the book of Acts (Acts 9:1-19, 22:1-21; 26:12-23). Paul also refers to it often in his letters to the churches. Sharing and repeating how God has called us helps us to stay focused. Share with the group what you believe God has called you to do and how He showed you that.

- How is your calling contributing to God's grand agenda?

- What benefits do you think there are to knowing your calling?

- How does knowing your calling help you to focus? Are there things that you need to do more of or things that you need to stop doing so that you are better focused on your calling?
