

Job Title: Videographer
Location: Asia and/or Africa
Category: Short-term volunteer

BACKGROUND:

Reconciled World is a covenant community of local nonprofits who work together to support one another in seeking to address the needs of the vulnerable. We are united by our desire to use a biblical approach to our work, defined by a set of seven core principles. One of those core principles is Mobilizing Local Resources. While we have seen God do incredible things as we have challenged the poorest of churches to reach out to their own community using what they have, we have struggled to raise program funding locally.

POSITION DESCRIPTION:

As an organization, we are highly committed to sharing stories from our work with others, we are seeking talented individuals to help us creatively and effectively share about our programs and core messages. We are seeking a videographer to help us develop at least one video that we can share around the world.

The videographer will work with RW leadership and program staff to develop goals and a storyboard for the video. They will then coordinate with field staff for filming. The video will need to be creatively filmed and edited due to the sensitive nature of our work. It will be expected that the videographer give the final video along with all unedited materials to RW at the end of the project.

QUALIFICATIONS:

- Previous experience filming and editing short films
- High attention to detail
- Excellent verbal communication skills
- Ability to quickly adjust to changing and often unexpected conditions as is common when working in a different culture
- Previous experience traveling abroad and working with people from different cultures
- English language proficiency.
- Access to own camera equipment and editing software
- Willingness to adhere to and uphold Reconciled World's Core Principles and Statement of Faith.

To apply please email a cover letter including dates available, resume, and film sample to TessaS@reconciledworld.org.
